24700 Wood Court,
Macomb MI 48042

Description:

The IWT Ci-1 gun is designed for easy set up and change over for insulation nails and cup head pins. The Ci-1 is molded from fiber-reinforced plastic and is fully insulated. Standard magnetic and economic IWT collets are utilized for varying insulation applications. The ergonomic handle is designed to eliminate operator fatigue.

Weld Range:

12ga, 10ga and CHP insulation fastener in steel and stainless steel

Welding Process:

Capacitor Discharge, Contact

Welding Cables:

33ft of highly flexible cable

Total Weight:

2lbs without cables

**IWT Ci-1 Insulation Gun for use with
Cup head pins and insulation nails**
